

I FIGHT FOR EVERY CHILD TO HAVE A FIGHTING CHANCE...

UNITED WE WIN

LIVE UNITED[®]

I grew up in a house at the end of a dirt road. I had two hard-working parents who provided for us, but they were never really around. Much of what I learned about life came from a retired school teacher who became a mentor. After retiring from my career as a surgeon and raising my own family, I was looking for an opportunity to give back. The Lyn Treece Boys and Girls Club was a perfect fit. I meet a group of retirees there every morning. We stay healthy and active by playing Pickleball in the gym and come back in the afternoon to tutor the children. It's good for the Boys and Girls Club and it's good for the older "boys and girls" who play Pickleball.

Join the fight. Live United[®].
