

I FIGHT TO GIVE GOODNESS BACK...

UNITED WE WIN

LIVE UNITED[®]

I became a member of the Boys and Girls Club of Montgomery County when I was in elementary school. I was a shy kid and didn't really know how to speak, but the kids and staff really helped me break out of my shell. Whenever I think about my time as a member, I am filled with warm and happy memories. I had the opportunity to be on staff for a few years, and I have to say that was one of the most fulfilling moments of my life. Everyone is so uplifting, and they really taught me how to give goodness back to the community. Without United Way, programs like the Boys and Girls Club of Montgomery County wouldn't exist. The club is so important to our community because of the positivity and support it gives the children. I don't know what my life would be like without my experiences with the club. I am so grateful to have been a part of such an amazing organization.

Join the fight. Live United[®].
