~~couldn't~~ chase
could
my dreams.

“I was a single mom trying to do everything on my own, but without childcare, it felt impossible to move forward. I wanted more for my kids, but I didn’t know how to get there. When I connected with the Salvation Army’s Pathway of Hope program, everything started to change. They helped me find childcare and encouraged me to believe in myself. Since then, I’ve earned my diploma, got my driver’s license, became a CNA, and now I’m working toward my LPN. I still have big goals, but for the first time, I can see a future filled with hope.”

TOGETHER, WE CAN CHANGE THEIR STORY.
